Dear Donald,

We are still looking for responses to the birding survey we sent out last month. See article and link in right hand column.

We are also still looking for help with leadership of IFBR for the coming year. The job is not large, but SOMEONE must do it if we are to continue. You could be that SOMEONE! Please tell me of your desire to take on a role in IFBR. Email me at steve.leonard@comcast.net

Then plan to attend the Annual General Meeting at noon on Wednesday, 26 June in Lisbon to discuss future plans and elect our new officers.

We WILL NOT have a booth at the Convention in Lisbon; however, you will be able to sign up adn get

**HOW CAN YOU HELP YOUR FELLOW IFBR MEMBERS ENJOY BIRDING EVEN MORE?**

By providing information about birding activities in your area and by volunteering to host fellow members when they visit your area!

Since some of IFBR members may have had trouble opening it, we are including the survey in this newsletter. Please respond!

Please complete the [birding activities survey](#) to provide your fellow members with the information they need.

Thank you!

IFBR Members in Lumphini Park,
As mentioned in the March 2013 Osprey, IFBR began as the vision of Dick Tafel of Ontario, Canada in 1991. He served as President, and he and his wife Elsa manned the booth for MANY years before turning over the reins to other leaders, including Mike Lakin of Botswana.

For several years now, Steve and Susan Leonard have taken the roles of President and Newsletter Editor and the convention booth. But they no longer wish to take all this responsibility.

The question is simple: How can YOU make sure that IFBR continues?

To volunteer, email President Steve at steve.leonard@comcast.net

Bangkok, May 2012.
