

Membership.

The Satsuki Society of Australasia Inc. Invites membership from anywhere in the world. It offers information freely supplied to any enquirer, at least 8 meetings per year for all those living in WA and visitors from elsewhere are always welcome. The Society will endeavour to make visits as easy as possible.

A Satsuki Society Newsletter will also be circulated to all members quarterly at the minimum (it will probably be about 6 issues pa). We do not want to write one up if we have nothing to say at the time!

There are two levels of membership:

1. Western Australian residents \$25.00 p.a.
2. All other places within or without Australia. \$15.00 p.a.
