

Atramedes – Sound Avoidance (or not!)

Last entry: 2/3/11

Data includes attempts longer than 3 minutes and kills

Gold
Silver
Bronze
Wooden Spoon =)

(Keep in mind that rankings among ourselves are relative and in no way reflect the actual sound or damage taken in each fight – they're just for a little bit of fun. The tables on page 2 & 3 have the actual sound accumulated per fight if you're interested in that sort of stuff. =P)

Overall sound limbo champions - simple view!

Gold = 3 points Silver = 2 points Bronze = 1 point Spoon is only there for fun! :)
