

2011 ALBANY VINTAGE & CLASSIC MOTORCYCLE CLUB WEEKEND

INFORMATION

DISPLAY & POKER RUN (Sat 5th Nov) & HILLCLIMB (Sun 6th Nov)

This year we would like to invite any of our interstate and overseas visitors to join us for a fun filled weekend of motorcycling, never experienced before. The weekend starts on **Saturday 5th Nov** with a motorcycle display in Stirling Terrace. The road will be closed from 6am for setup, motorcycles to be displayed arrive at 8am, public viewing will be from 9am, followed by the Poker Run early in the afternoon. The Poker Run, as with the display, is open to anyone with a road licensed motorcycle of any age and a license to ride it. It is a very popular event. Entry fee is \$10 per hand, which gives both the rider and the passenger a poker hand and afternoon tea, which is held afterwards at the rifle club, on Frenchman's Bay Road. The poker run will finish at 4pm.

Collection of the Weekend Registration Packs, Registrations for the 'Poker Run', will commence 8am Sat 5th Nov on Stirling Terrace (just outside Dylan's on The Terrace), **and will close 11.45am sharp.** (Note: There will be no distributing of registration packs on the Friday at the rifle club, as in previous years). **The briefing for the Poker Run will commence at 12.30pm, and commence shortly afterwards.**

The Poker Run will have a short & long course to suit all bikes & riders

There are three rules for this Poker Run:

1. **Please obey the WA Road Rules.**
2. **Make sure you are wearing correct protective gear.**
3. **Be courteous, be aware of a large number of riders and the public, and remember that the success of this event as always, relies on you, be aware and have an enjoyable ride.**

There are worthwhile prizes for the best and worst hand, which will be presented at the end of the Hillclimb on the Sunday.

Sunday 6th November is the Hillclimb, on Mount Clarence Scenic Drive. The event is held on a closed road and gives the opportunity to bring out old racing motorcycles. It must be emphasised that **this is not a race**, but a **regularity run**. All bikes licensed or unregistered must be roadworthy & checked by a machine examiner. Riders will be given a complementary ride before two practice runs, after which their times are given to them. They then nominate a time they are going to do three more runs throughout the day. **All riders must attend at least one practice run.** Riders will lose points for going too fast or too slow. There is a **cut off time of 36 sec's**. Riders will be told the first time if they do a run at 36 sec's or less as a warning. No time will be recorded. If they then do it a second time, they will be disqualified for the rest of the day. Once again, normal protective clothing to be worn, helmets and gloves are essential. No pillion passengers. However, passengers are accepted in the sidecars.

This event is now in it's 25th year, and has grown from just 16 entries to having to turn riders away. It is a fabulous weekend to make new friends and renew old, and have fun with your bike. See entry form included. Fees are gauged by the age on the motorcycle, not the rider. This event is open to Pre 1980 motorcycles, and entrant is by members of the Albany Vintage & Classic Motorcycle or kindred Vintage Motorcycle clubs. **It is restricted to the first 100 riders who have their entries in by the Friday 21st October 2011.** Unsuccessful entrants will have their monies refunded.
