The Iona Past Pupils Association (IPPA) has had many peaks and troughs since the College opened its doors in 1907.

The permanent revival of the Association has come about through the establishment of the College's newly formed Community Relations and Development Department.

The College has always had the vision to provide ongoing support and friendship building opportunities for its past students but the resources required to manage such a program has not been available, until now.

The Development Department is in the process of reviewing the Association's database and would greatly appreciate your help in updating the current contact details held at the College. An IPPA form can be received by contacting Mrs Sabine Hofferberth, (Alumni and Marketing) on Telephone: +61 8 9384 0066
