The Annual Coursework Fee covers textbooks and workbooks in a number of subjects, audiovisual equipment, library services, College Planner, entry into sporting carnivals, Reflection Days, consumables for the subjects Information Technology and Textiles and Foods, competitions in Science and Mathematics, safety glasses, Student Council fee, and Students Personal Accident and Disability Insurance Scheme (compulsory cover for school activities authorised by the Principal and under control of the College). These fees do not cover tuition fees, weekend sporting fees, social events, and optional excursions in some subjects. Also note that the Course Fee does not fully cover student use of College printers. All students will be given an initial credit of \$10 for this purpose, but will need to pay for all printing beyond this limit. They will be able to purchase credits from the College Library. Loss of a textbook will incur a fee equal to its replacement cost. The College subsidises 50% of the cost of INSTEP Plus. These fees are non refundable once class lists have been determined. Due to allocation of budgets based on student numbers enrolled for subjects, subject fees are non refundable if a student changes subjects after commencement of the school year.

APPLICATION FEE FOR ADMISSION (GST INCLUSIVE)

A non refundable fee of \$120 is payable to commence the enrolment process and is designed to cover administration costs associated with enrolment. ENROLMENT CONFIRMING FEE (NO GST APPLIES)

A non refundable confirming fee of \$650 must be paid on acceptance of an offer for your daughter's place at the College. This must be submitted with the College Day/Boarding Admission Form within two weeks following an offer of a place to confirm registration. Should this not occur within the specified time, the offer will expire.
