

IONA ENROLMENT POLICY

THE COLLEGE

Iona is a Catholic day and boarding school for girls in Years 7 to 12.

ENROLMENT POLICY

Preference for places in the College is given to girls from Iona Primary School, girls from Catholic families (particularly where one parent is Catholic) and girls whose sisters or mothers have attended the College. Iona does provide some places for girls from non-Catholic families.

Enrolments are dependent upon vacancies and the following conditions:

- Families complete an Application for Enrolment Form and provide this, and a reference from their Parish Priest to the College.
- Acceptance and participation in Religious Education lessons and religious practices of the College.
- Student and parents attend an interview with the Principal or her delegate.
- The signature of parents on the Admission Form is taken as acceptance of school policies, such as payment of fees, school regulations, parental involvement, and students meeting attendance and academic requirements of the College.
- Payment of the Admission Fee.

The College prides itself on being a Presentation school espousing Presentation values of evangelisation, care for and education of the poor, a sense of welcome and hospitality, and a pursuit of excellence in all areas of adolescent development.

The College applies the policies laid down by the Catholic Education office with regard to students with disabilities, the gifted and talented, and indigenous Australians.

It is a condition of enrolment that one full term's notice be given in writing to the Principal of the withdrawal of a student, or alternatively, one term's fees be paid.

A resident student's withdrawal requires a semester's notice in advance.

Should a student be withdrawn without the appropriate period of notification, then the College reserves the right to pursue the full payment of fees.
