

## Online Tutoring 2009

Over the past few years, hundreds of students at Iona Presentation College have logged into the **yourtutor** interactive classroom and had positive learning experiences with the team of tutors. Students have acknowledged that it is helpful and convenient to be able to

ask a tutor a question the moment they get stuck, so they can carry on with the homework task at hand.

In 2009, your daughter will be able to access Online Tutoring as a '**yourtutor@home** Individual Subscriber'. By purchasing '**yourtutor** minutes' your child will be able to connect to professional tutors, in all subjects, as often or as little as she requires – instantly, and from the comfort of your own home. One-to-one help is available Sunday to Friday, 4 p.m. to midnight (EST) for Mathematics, Science, English, Assignment Research and Study Skills.

Tutoring Australasia is offering Iona Presentation College parents a special 10% discount on yourtutor@home subscriptions if you sign up before 19 December 2008.

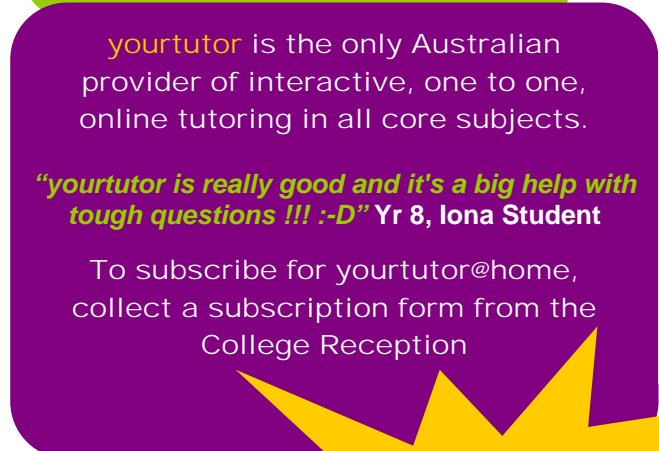

To enrol, please complete and return an enrolment form to Tutoring Australasia. (If you are reading this online, you can download an enrolment form by clicking here on [enrolment form](#). Enrolment forms are also available at Reception.) Your child will be sent a Welcome Kit by post as well as emailed instructions on how to log into the classroom using her own unique username and password.
