

# Four Strong Winds

**Intro:** [C] [Dm] [G7] [C] [C] [Dm] [G7]

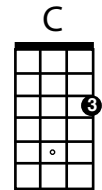

Think I'll <sup>C</sup> go out to <sup>Dm</sup> Alberta

Weather's <sup>G7</sup> good there in the <sup>C</sup> fall

I've got some friends that I could <sup>Dm</sup> go working <sup>G7</sup> for

Still I <sup>C</sup> wish you'd change your <sup>Dm</sup> mind, if I <sup>G7</sup> ask you one more <sup>C</sup> time

But we've <sup>Dm</sup> been through this a <sup>F</sup> hundred times or <sup>G7</sup> more

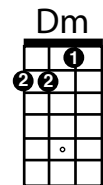

## Chorus

4 strong <sup>C</sup> winds that blow <sup>Dm</sup> lonely 7 <sup>G7</sup> seas that run <sup>C</sup> high

All those things that don't <sup>Dm</sup> change come what <sup>G7</sup> may

If the <sup>C</sup> good times are all <sup>Dm</sup> gone, Then I'm <sup>G7</sup> bound for moving <sup>C</sup> on

I'll look <sup>Dm</sup> for you if I'm <sup>F</sup> ever back this <sup>G7</sup> way

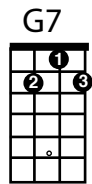

If I get <sup>C</sup> there before the <sup>Dm</sup> snow flies, And if <sup>G7</sup> things are looking <sup>C</sup> good

You could <sup>C</sup> meet me if I <sup>Dm</sup> sent you down the <sup>G7</sup> fare

But by <sup>C</sup> then it would be <sup>Dm</sup> winter, Not too <sup>G7</sup> much for you to <sup>C</sup> do

And those <sup>Dm</sup> winds sure can <sup>F</sup> blow cold way out <sup>G7</sup> there

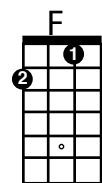

## Chorus

**Instrumental:** [C] [Dm] [G7] [C] [C] [Dm] [G7]

Still I <sup>C</sup> wish you'd change your <sup>Dm</sup> mind, if I <sup>G7</sup> ask you one more <sup>C</sup> time

But we've <sup>Dm</sup> been through that a <sup>F</sup> hundred times or <sup>G7</sup> more

## Chorus

I'll look <sup>Dm</sup> for you if I'm <sup>F</sup> ever back this <sup>G7</sup> way
