**Hi Folks,**

**The garage sale conducted Saturday 5 July (a freezing Canberra morning) was an outstanding success. Raising almost \$1000.00 of much needed funds for the club.**

**Huge thanks to the usual intrepid crew who run this sale and who give up their entire Saturday from 7:00 AM to 5:00 PM. As well as setting up days before. It was especially appreciated having some very new members on the team. *Thank you all!***

**The committee for the sale were gratified with the response of club members requested to donate goods and more so with their plea for cakes etc. for sale. The cake table literally groaned with wares of which all were sold. *Nice one!***

**A new innovation of serving morning and afternoon teas was a welcome addition and proved very popular. This created a friendly chatty atmosphere in the clubhouse for both customer and workers alike.**

**Congratulations and many thanks to everyone on a job well done.**
