MTC Membership Subscription Renewals

Thank you to those members who have paid their annual membership subscription renewal – its important this is done promptly each September as they make up a significant part of the MTC income necessary to meet our financial commitments.

For those who have not yet paid - membership subscriptions are now well overdue and you are requested to send your cheque made out to MTC to our post box or pay club Treasurer, Christa Tickle, at the courts. Annual subscriptions for renewal of existing members are as follows:

Adult Single	\$72
Junior Single (to 16 years)	\$50
Family	\$132

If you are not renewing your membership please return your court and clubhouse keys ASAP.

Theft at MTC – New Security Measures

The theft two weeks ago of all four nets off the courts and two umpire's chairs was a real blow to the club. The damage to our new fence was also substantial. Thanks to the members who acted so quickly to set things right.

We now have a new security lock at the gate, the court sweeper and nets are kept inside the clubhouse and are hung for each session of play, and work is underway to purchase and install movement sensitive security lights around the clubhouse. We are also looking at purchasing one or more new nets.

We were also able to get the fence repaired fairly quickly – and even better – to have ACTPLA pay for it direct!

Donations

A special thanks to the “Thursday Tournament Ladies” who so kindly donated \$200 towards the purchase of new nets. Thanks also for the two wooden benches – we are lucky they were chained down and not stolen!

We have also received a \$250 donation from the Dickson Tradesman’s Union Club. Thank you also to the individual members who have made donations over recent times – in conjunction with their annual subscriptions. Thanks also to all the members who continue to donate their time and energy – and even money - to fundraising activities such as the garage sale and to the day to day running of the club.

Happy tennis!
