2008

PO Box 543, DICKSON ACT 2602

## NEWSLETTER

September 2008

### **Annual General Meeting Outcome**

The MTC AGM was held on Thursday 24 September - many thanks to the members who attended. The Office Bearers and General Committee were elected and the membership subscriptions and court hire fees for 2008/09 were set. Please see the separate Office Bearers and Membership and Court Hire Fees lists for 2008/09 for details.

### **Vacancy - Treasurer and Court Hire Officer**

The important positions of Treasurer and Court Hire Officer remained unfilled at the AGM. The position of Treasurer is essential to the club and income from court hire is an important part of the MTC's finances, so members are urged to consider taking up these positions. Contact Sixto Diaz on 6247 5445 if you can help.

### **Subscriptions Now Due**

Members are reminded the 2008/09 membership subscriptions are now due. Please pay your subscription promptly. The club relies on the membership fees for a substantial part of its income, and as all office bearers serve in a voluntary capacity, is not in a position to chase up each individual member. Fees for 2008/09 have remained the same for the third year running - making MTC one of the best value tennis clubs in Canberra. Payments can be made direct into the club bank account at St George - BSB 112908, account 044028101. Include your name in the deposit and email Christa Tickle to confirm payment at [ommy@bigpond.com](mailto:ommy@bigpond.com)

Use this form to send the information to the tennis club.

(you need to have Javascript enabled to use the form.)

### **Garage Sale**

The next MTC garage sale is set for Saturday 25 October 2008 from 8am to 3pm. Please donate generously - good used clothing (adult, baby and

children's), linen, toys, jewelry, household appliances, kitchenware, plants, pickles and jams are most welcome. Just leave them in the clubhouse. No large items of furniture please. Help also needed on the day. Contact Betty Rolls on 6241 1637.

### **Working Bee, BBQ and Tennis**

A working bee to do a clean up around the clubhouse and courts followed by a BBQ and tennis has been scheduled for Saturday 11 October from 11am. Bring along your gardening tools, spade, rake and saw - and don't forget your tennis racquet. Also bring a salad - MTC will supply the meat. Contact Betty Rolls on 6241 1637 to confirm your attendance and for catering purposes.

### **Christmas Party**

The MTC Christmas party will be held at the clubhouse on Sunday 30 November. Put the date in your calendar now. More details closer to the event.

### **Sunday Tennis Time Change**

With the warmer weather and the start of daylight saving Sunday social tennis will return to the regular time of 10am on Sunday morning from next Sunday 5 October. So come on down!

### **Got a Complaint?**

Tennis is a great sport and the MTC is a great club - run by volunteer office bearers and the many other members who contribute through the garage sale, working bees and who make donations from the proceeds of their social tennis competitions. So if you have a complaint - give us a break - and don't hassle or badger the office bearers. We want the best club possible and a pleasant social environment - so if you see something that needs doing or identify a problem - come forward with a solution not a grizzle - and if you have specific suggestions - put them forward to the committee in writing - so we can deal with them in an orderly way. Better still - nominate for the vacant officer bearer positions or come to committee meetings. We are all in this together.
