March 2004

### Garage Sale Success

The garage sale on Saturday 20 March was a resounding success. The Committee would like to formally acknowledge the hard work and contribution of all those members who helped on the day, particularly those who altered their weekend plans so they could help sell the variety of goods available at the sale. Many thanks also to those members and their friends and assorted conscripts who donated goods for sale on the day and supplied fresh baked cakes and other goodies for sale through the cake stall.

A special thanks to Betty Rolls as garage sale coordinator and those members who helped throughout the period before the sale to collect, assess and price the various goods for sale. The club raised almost \$1100 on the day – a real supplement to club finances that will make it possible to keep fees and other charges down. Well done Majura Tennis Club!

### Other News

*GST Registration* - Majura Tennis Club is now registered for the GST. This means that we will need to add the GST to anything we sell – including court hire, membership fees and any other goods – but that we will also be able to recover from the Tax Office any GST we pay – such as for the court upgrade. The net effect should be that the club will benefit.

*Insurance Claim* – Our insurer has paid the claim for theft and damage to our shed. The Committee will now arrange for any repairs or replacement for the shed and other goods lost during the theft, which occurred late last year.

*Court Upgrade* – funding from the ACT Government for our upgrade of courts 1 and 2 has now been received and the contractor engaged to do the work has indicated work should be able to commence in mid-April.

*Fence Replacement* – three quotes have now been received and forwarded to the ACT Planning Authority for replacement of the fences around the courts and club house. Watch this space.

Happy tennis!
