End of year function and raffle

We will be having our Christmas party on 5 December at the Club house with BBQ.

In conjunction with the Christmas party we will be running a raffle. This takes the form of a hamper of various festive fare which is split into many prizes. To make this work we need donations of good quality festive fare. Any donation is welcome. We, however, need to understand that some of the prizes will end up with people outside the Club who are expecting something nice. Thus only include good quality fare that not expired or damaged in any way.

Other ways to help the club

We are always seeking assistance in the maintenance of the club environment. If you can help with cleaning up, spraying weeds, rolling the clay courts tell one of the executive. The whole club will appreciate your efforts.

Court care

We have had a lot of rain recently. While it is great that the drought seems to be broken, we have to take care not to play on the courts when they are wet and soft as this damages the surface.

Subscriptions

Anyone who has not paid this year's subscription should do so without delay. People who do not pay by the end of December may incur additional charges when they do pay.

Happy Tennis – The executive committee.
