Take a walk outside the law with some of Australia's best crime writers. *Outside the Law 3* investigates the criminals who deal in murder, drugs and kidnapping, the cops who track them down, and the journalists who report their stories.

### OUTSIDE THE LAW 3

Edited by Lindy Cameron

Stories by Robin Bowles, Vikki Petraitis, Rochelle Jackson and others

Intrigued by armed robbers, drug smugglers, vicious murderers, child abusers, cold cases and criminal defamation? You'll meet crooks who just can't help themselves; killers with twisted logic or hearts of darkness; and cops who daily walk the thinnest of lines to keep the evil at bay, and away from the rest of us.

With stories by twelve of Australia's leading true crime authors, including Robin Bowles, Vikki Petraitis, Rochelle Jackson, John Kerr and others, *Outside the Law 3* displays a diverse range of styles and perspectives that set this book apart from much in mainstream true crime publishing.

Stories include:

- **John Kerr** on the rise and fall of *Underbelly* Kiwi drug smuggler Terry Clark
- **Robin Bowles** on an Australian investigation that saved a young girl in the USA
- **Vikki Petraitis** on how a man survived his childhood with the Salvation Army
- **Leslie Falkiner-Rose** on the 1976 Great Bookie Robbery
- **Jacqui Horwood** on the investigation into Victoria's SP bookmakers
- **Rochelle Jackson** on Freddy Cako, armed robber, who spent half his life in jail
- **Renee Otmar** on the murder, by hired killer, of her baby niece in South Africa
- **John Allin** on his 30-year link with the family of the abducted Kirste Gordon
- **Liz Filleul** on the unsolved 1984 murders of Seana and Margaret Tapp
- **Peter Haddow** on the murder of West Australian teenager Jessica Lang
- **Narelle M Harris** on whether TV-CSI holds sway over our juries
- **Shelley Robertson** on the showmanship of our finest legal eagles
