E&OE

We would be delighted to have the opportunity to promote your business in the 22nd edition of the locally published Perth Christian Directory !

Scheduled to be published Mid-December 2009: approximately 20,000 copies will be distributed through churches (see list at back of Directory), Christian bookshops and many of the advertisers.

♦ ♦ ♦ our advertisers

For the sake of our readers, we do need to have a working definition as to eligibility for advertising in the Perth Christian Directory

A Christian Directory should contain Christians and we have therefore adopted the historical (Protestant) interpretation of a **'Saved, fellowshiping, Christian'**.

We believe that the way to become a Christian, no matter which church one attends, is for each one of us to have repented and to have asked the Lord Jesus Christ to forgive us of our sins and to become the only Lord and the Saviour of our life. **Our Salvation is by grace alone, through faith alone, and only because of Christ's completed work on the Cross. No one and nothing but Jesus, crucified.** We then need to be a continuing work in progress. The Bible tells us that Christians should regularly fellowship with other Christians ... and we do ask on the Booking Form at which church, fellowship or group that takes place. We offer a free supply of the P.C.D. to be sent direct to that meeting place each year; although we do not distribute through the Roman Catholic churches.

♦ ♦ ♦ the Directory

The Perth Christian Directory is not an ecumenical exercise!

Acknowledging that the various denominations and groupings do have different emphases - for the purposes of promoting your business, we welcome all those who have acknowledged their need, and have asked Jesus to be the Lord and Saviour of their life - as outlined above - and, to the best of their ability, conduct their business on Biblical principles.

We ask for a commitment to do a great job for your customers and one that reflects well on your fellow advertisers: for Jesus' sake.

♦ ♦ ♦ payment

In fairness to all those who do pay on time, we just ask that everyone does the right thing when making their booking: and commit to paying by 5 October 2009.

Our preference is for payment by EFT, where convenient !

♦ ♦ ♦ artwork

before 1 September -

It would be our pleasure to prepare your straightforward typesetting free of charge - **providing you give us your wording by 1 September, latest.**

If you wish to have something that requires greater expertise, we can recommend a few professional graphic designers who can do you a far superior job than I can !

For instructions received after 1 Sept.

The average in-house cost of typesetting would be:-

SMALL DISPLAY	\$35	BUSINESS CARD	\$50
QUARTER PAGE	\$75	HALF-PAGE	\$100
FULL-PAGE	\$150	Alterations	- pro rata

The above includes 10% GST

(© Where no charge is made by us, we retain the copyright on any typesetting that we originate, but would be happy to release it to you for use in other publications for the fee noted above . ©)

If you wish to supply your own completed artwork - it is most important to ask for a copy of our **'Guidelines for preparing artwork for the PCD' before you start work on it ! (Downloadable from our Website)**

♦ ♦ ♦ proofs

Individual layouts will be proofed and sent to you for your approval, as completed. Remembering that I do all production and administration myself, the preparation of proofs may, at times, take longer than others but I expect to have all proofs completed by the end of October.

In addition, we will send you a proof of the final page layout of every page on which you have an entry - **early in November** with just one week before going to the printer.

It will then be vital that you tell us of any mistakes immediately - because that is how it will go to print, and we cannot accept responsibility for any errors thereafter!

♦ ♦ ♦ the small print

We do not cover certain categories e.g. Health, Healing, Therapy, Teaching, Life Coaching, Ministry, Counselling, Seminars, Wealth-making Schemes & similar: and we advise against Multi-level Marketing & 'Party Plan'. We reserve the right to advise on suitability & quality of copy supplied: and, for the long-term good of the Directory, the Editor reserves the right to reject an entry, for whatever reason.

Each entry is displayed in the Directory alphabetically, by classification, subject to editorial discretion concerning overall layout constraints - **We are not able to book a particular page or position.**

As a directory we do request that no prices are shown and only discreet claims are made: no direct or indirect comparison with any other business/s. Our desire is to promote every entry equally.

Whereas we take every precaution to ensure the accuracy of each entry (by emailing you, early in November, a proof of your final page layout), we restrict our liability for any mistake made by ourselves or our printer to a maximum of a free replacement entry in the next edition, or less.
