

Speed Report (verbal): Speed branch had been less active recently due to February Covid19 lockdown and then restrictions. Training has resumed, Speed calendar of events shared. National Competition has already been cancelled for 2021. Congratulations to Tyler Robertson for receiving Kairos Sponsorship. Tyler has also completed a Level Zero online coaching. He will be doing his official accreditation very soon

Artistic Report (verbal): A member had a problem with nomination for League 1. Despite following the process and paying fees by due date it doesn't seem to have saved. Member is being refunded but disappointed that daughter cannot participate.

Ozzy is making changes to Development program. Coach Larree Bond is planning a leotard hire service.

New Business/Business Arising

Showskate Feedback: 2020 Showskate came together as a fun end of year event, performances were entertaining and Speed branch liked the involvement. Costs were nearly but not quite covered by the door fee, food and raffle ticket sales. It was noticed that the raffle prizes, which were presented to a high standard by Faye Holmes, generated a bit of a buzz throughout the evening. Tickets could be distributed to members a little earlier. An incentive/reward was suggested to encourage someone to take this task up next time.

Despite food being organized, only 2 members volunteered to help with service. While their help was appreciated, we need to consider ways we can encourage more people to help out in the many tasks not just for this event but at Leagues as well.

Website Updates/Trophies: it was agreed that the winners of Perpetual Awards be included on the website under the 'Club' section. Kylie is to provide information about the Harry Kingston Awardees and about the trophy to Amy. Amy is organising to have the trophies engraved.

Website needs a general review of information. At this stage our focus is on updating the information on the website to make sure that it is current.

Open Day Feedback: This was co-ordinated by Ozzy and coaches from both Branches. Demonstrations were provided by Speed, Artistic and Roller derby. Approx 72 people attended to watch, similar to previous year. Info booklet organized by Deb was very helpful and would be useful to have copies of this at the rink to give to interested people.

Club Communication: is crucial for newcomers and established members. Currently reps use both email and Facebook as primary modes of communication. A survey is being organized to forward to members to encourage communication, provide opportunity for ideas/feedback on a range of issues like fundraising needs, spending ideas, volunteer recruitment...

We agreed to give our next committee meeting a community engagement focus to seek particular input from our members on ideas for using up our funds and how we could fundraise in the future. It was agreed to provide pizzas as an incentive. Dates to be confirmed post meeting.

Catherine is organising a Committee poster for the noticeboard. Committee to forward a photo of themselves to Catherine.

The Club Calendar was accepted by the committee subject to anticipated Artistic changes. Committee agreed for it to be placed on the website in the club area, with individual branch calendars in their respective areas.

Benefits of Club Membership: Insurance cover? It needs to be clarified if there is any insurance extended to a skater in training who is not yet a Club and Skate WA member. Duncan to check if there is a policy in place to cover this situation, if not should there be one?

Next Meeting: To Be Advised

Meeting Closed: 7pm

Amy Cumming (President)

Suzi Anderson (Secretary)
