CARRIED

Correspondence: 5th April 2021, Suzi emailed Deanne Brescacin from Bayswater council. A club overview and contact details will be included in the online City of Bayswater Community Directory and will be included in the next print run of the booklet.

Treasurers report: 26 registration fees for Artistic League 2 were covered at a cost of \$780. Current balance of Art Account is \$13 500. Duncan has checked with Skate WA and as there is no issue with moving club account info to Excel he will go ahead and cancel MYOB subscription.

Registrars Report: None

Speed Rep Report: Kylie mentioned there had been some flow on interest toward Speed as a result of Bayswater event. Speed training and leagues are back to normal pattern.

Raised issue of skin suits. Current supply is still valid for 1 more year but in short supply, so good time to consider a new look before reordering. Kylie would like to present new design to speed branch, get feedback and present new design/samples to committee. for consideration of approval at a meeting in the near future.

Artistic Rep Report: 25 skaters competed at League 2, some withdrawals. More volunteers helped out making it a bit smoother. Rhonda Bright who is making some club jackets apologizes for delay in finishing them. They should be ready in approx. 3 weeks, due in May.

Presidents Report: Agenda for meeting presented

1 City of Bayswater Explore, Discover, Connect Carnival a stall was organized and presented by Amy and Duncan at The Rise. Overall attendance fairly quiet but generally went well. Engaged with approx. 20 families and young people. Special mentions of appreciation to Ozzy for printing flyers and providing a prize, and to Charlotte McGee for helping at the stall.

2 Skin Suits committee will look at new design/samples when available and consider approval at a future meeting.

3 Club T Shirts general agreement that it would be good to have a new club t shirt. It could help promote club awareness through branding, and could be used for either or both training and recreational wear.

4 Survey Status 7 people have participated in the communication survey, all from Artistic Branch. It is possible that some members did not receive it, possibly due to method of delivery. Amy seeking to have a comprehensive member contact list so she can connect directly with members if needed.

5 Noticeboard purchase request for red coloured noticeboard.

CARRIED

6 Website Homepage font is fixed, information updated and some photos included.

7 Kidsport/Lotterywest Grant Amy's application was successful for this \$500 grant. Funds to be used towards Member Engagement Night and Noticeboard.

8 Member Engagement Night. Locked in for Sat 29th May 6-7pm at Rollerdrome. We suggest asking Ozzy to help design flyer to promote it. Need to canvas the topics of interest/discussion (spending, fundraising, communication) prior to event so that people can present ideas. Food and drinks supplied, social skate after. Rink entry fee for all registered Panther members will be covered by club.

Development Competition

Originally planned on Sat May 8th on the Rollerdrome, now happening early June. Largely organized by Art coach Larree, Robyn and Emma. It is a competition for early development skaters to show new skills. All participants have become Skate WA members for insurance purposes. As an incentive to become Morley Panthers members the \$15 registration fee was covered. A number of skaters took this up. This was organized by Ozzy but not formally through the Art Rep or committee.

Special Note on Insurance Issues

The committee has been advised by a Skate WA representative that if members inquire about this we should refer them to the Skate WA insurance policy on their website. Skate WA members are covered under the following insurance policy <https://skateaustralia.org.au/resources/insurance/>

Meeting Closed: 7pm
