WWCC- Peter Rye has been in contact with committee in regards to update/renewal of WWCC which expires in September. He is a Skate Australia Official and a volunteer at rink with morning star classes. .

Action Suzi to find this out if it is a club, Skate WA or rink responsibility to keep him on register, send email correspondence to Larree (as CAOC Chairp) cc Cath, Deb, Ozzy.

Incident Reports; to be completed in any case of a near miss or when an accident occurs, where help is needed and thought to be serious. Copies to be kept on club pin up board. Preferably filled out by coach if present, witness, rink staff, committee person, parent. Form to be kept in MP folder kept with Ozzy in rink office. A photo of form sent to Registrar at the time of incident.

Action Cath to inform coaches and members of this.

Art report (verbal) Noms for State Champs closed with approx. 17 skaters. It will be held at Kingsway on the 24th and 25th July. Nationals taking place from 25th Sept- 1st October in Victoria. Discussed the idea of 'gifting' an amount of money to each skater going, to help with their expenses. Thought that the \$20.00 registration fee for new trained officials was a Skate WA responsibility but will look into it more so we can respond to Larree's suggestion for the club (art branch) to fund this.

Speed report (verbal) Speed would like to increase their presence during rink session to promote awareness of the sport. Kylie would like to talk with Ozzy about bringing back speed skate during public sessions. And to encourage Rollerdrome staff to give info flyer out to people who may show interest/potential. Also like to discuss possibly having longer training time/ another rink time for training. Would like to proceed with new skinsuits.
