Summery

2021 has been a good year for the speed branch. Firstly I would like to give a special thanks to all our parent and club members for all the hard works you have put in with training and bringing new members though out club.

Would like to thank all the volunteers that have put in time or donated to our club fundraisers, all of the fundraisers would not be possible without your donations and or help over this last year.

I would like to say a big thank you to all the Parents that have taken the time to officiate at our monthly speed leagues and State Championships without all the help this would not be possible.

Lastly I would like to give a big thank you to our Morley Panthers committee Members for all you help and involvement you have had in speed over this past year I'm looking forward to continuing as Speed Rep next year.
