

# Morley Panthers Rollerskating Club

## President's Report - October 26 2021

Well done to all the Panthers that competed in the recent Speed league and Artistic Development and Novice Champs.

The committee is continuing to investigate Club Uniforms / Clothing and Welcome Packs for new members. We would love to be able to have samples available at ShowSkate, which we are starting to plan.

Continued thanks to the committee (Suzi, Deb, Catherine, Kylie, Duncan) who are doing a fantastic job. I really appreciate all your hard work for our club and am pleased that you were re-elected.

I was also pleased to see some members attending the AGM and keen to serve.
