

# Morley Panthers Rollerskating Club

## President's Report - November 16 2021

As we get ready for ShowSkate and our annual Club Recognition night, I would like to thank all the parents and supporters who make it possible for our skaters to do their thing. It definitely does take a community to support our skaters in many ways including lifts to and from training, officials, volunteers, financially, and many other ways so THANK YOU to our supporters!

Continued thanks to Suzi, Deb, Catherine, Kylie, Duncan for being willing to serve in the committee for 2022. I really appreciate all your hard work for our club and am pleased that you were re-elected. Welcome to Kate in joining the committee. I look forward to working with you.
