

Morley Panthers Rollerskating Club

Art Rep Report - April 6, 2022

- Leagues 1 and 2 were a success
- We had more volunteers on the official's side for League 2, however we do still need more (volunteers, judges and referees)
- States nominations are still open, they close this Friday the 8th of April. So far, we have 12 skaters that have nominated. State subsidy was much appreciated
- Cobras development competition has been postponed due to low numbers, most likely COVID reasons. Will look at it again once things ease a little.
- Nationals is going ahead. It is going to be hosted at Mount Warren Indoor Sports Centre in Queensland. Currently, we are looking for numbers of who is interested in attending
 - o Are we going to support the skaters? And how?
- Boot covers and socials t's were liked
