

Morley Panthers Rollerskating Club

President's Report – April 6 2022

It is hard to believe that it is April already and the skating year is well underway!

We have received our order for the Social T-shirts and placed orders for Club Jackets, Training Jackets & Speed Skinsuits. Thank you to many of you who have placed orders and taken advantage of the club uniform subsidies.

We are working towards training t-shirts, full zip track pants and maybe leotards this year.

Huge thanks to Suzi for all her hard work these last months on these items and to Kate who will be helping going forward. Also, to Kylie for organising the new Speed Skinsuits.

Many thanks to Andrew Williams for putting together the QR code for the club to meet the Government requirements at short notice. Thank you to you for signing in!

Due to many years of fundraising, we are pleased to be able to fully cover the 2022 Artistic State, Novice & Development Championships Registrations fees. Many thanks to Suzi for making sure this proposal got up in time for us to make timely decisions.

We are looking forward to Speed Nationals July 2-9th in Brisbane with our club sending five skaters (Tyler, Hannah, Amelia, Elisha, Jaxon), WA Team Manager (Kylie), WA Team Coach (Alex), and the Senior Event Official (Cameron).

We are also looking forward to Artistic Nationals in July in Qld, plans are being worked out as we speak.

Continued thanks to Suzi, Deb, Catherine, Kylie, Duncan, and Kate - I really appreciate all your hard work for our club and especially on the club clothing, subsidies & the contact tracing - it takes a lot of effort!

THANK YOU EVERYONE for your continued support of our club!

~ Amy ~
