States - Artistic

Fundraising at the State Artistic Championships was approved. A raffle and throw outs at the competition raised \$330 to assist Artistic skaters attending Nationals in QLD in July. The raffle items were donated by Kate, Karen Gorenski and myself. Thank you to Kate, who did a magnificent job selling tickets at the public skate sessions and took over the table management on Sunday at the comp.

Other

Thank you to my fellow committee members for your ongoing commitment to the Club.
