

Morley Panthers Rollerskating Club

Artistic Rep Report – August 1, 2022

- League 3 was cancelled entirely and competitors for Sunday's events were refunded.
- Nationals was a success with many skaters placing. According to those who attended it was a real experience and very tiring but exciting. WA will be hosting Nationals in 2023. Dates TBC.
- Cobras Rollerskating club hosted their development competition at Midvale speed dome on July 30. Six development Panthers participated and it was a successful and fun competition. Morley will host the next development competition on 3 September from 4pm. Andrew Tennant is working on a promotional poster at the moment.
- The draft program for League 4 has been released and it will be on the weekend of 20/21 August with Figures at Morley on Saturday morning, other events at Kingsway Saturday afternoon and Sunday morning and proficiency tests followed by Oceans team training on the Sunday afternoon.
- Uniform orders are not yet here but if all continues to run to schedule they should arrive before League 4.
- I had an inquiry from Vanessa Grainger who is hoping to return to skating.

Kate Williams – acting Artistic Rep.
