

# Morley Panthers Rollerskating Club

## Artistic Rep Report - September 6, 2022

- League 4 took place 20-21 August at Kingsway with figures at Morley Rollerdrome. It was a smaller League as was expected with many Nationals skaters taking a break. Competition finished Sunday morning and the rest of Sunday was given to proficiency dance tests followed by Oceania's team training at the end of the day.
- The development competition hosted by Morley Panthers was held on Saturday September 3 from 4pm. It was a really fun event with good Panthers representation in all categories.
- The next competition will be Oceania's from 30 September to 4 October in NZ. Lexie Hull will be the only skater from Morley Panthers to attend this competition. World Skate Games in Buenos Aires is from 24 October until 6 November.
- The Development and Novice competition is on Sunday 6 November and the next round of proficiency dance tests will be on Saturday 5 November, both at Kingsway. Dates were moved from the original October dates as there wouldn't have been enough officials who could judge due to the World Skate Games.
- A survey asking for interest in Figures proficiencies has been sent to members at the request of Skate WA.
- The increased number of proficiency tests is as a result of them being due to come back into requirement for 2023.
- There is a planned open day at Kingsway on Saturday 17 December, 10am-2pm. Details TBA but possibly a table representing the sport and maybe some demo skating.
- I circulated information about a skate workshop with Jayson Sutcliffe to members. This will take place on 7 and 8 October at The Rise in Maylands. It was organised by the Cobras RSC and circulated to art reps for distribution. I have since been informed (and passed the information on to members) that this workshop has been cancelled.
- Bunbury RSC are hosting Gawaine Davis at a dance skate camp at the Rink in Bunbury in January (proposed dates 7-9 January). Panthers members have been encouraged to feed back their interest and attend. Costs etc TBC.

- The uniform order from Engage arrived and was generally very well received. All items have been distributed.
- Nationals discussions for 2023 are underway. WA will be hosting with either Kingsway or the South West Sports Centre in Bunbury as the preferred venues so far. Dates and venue TBC depending on the international skate calendar. WA clubs will need to be ready to be fully involved in helping with preparations and the event itself.

Kate Williams - acting Artistic Rep.
