

# Morley Panthers Rollerskating Club

## President's AGM Report – October 11, 2022

### **Congratulations**

This was once again a successful year for our club thanks to the time and dedication of our committee, volunteers, coaches, and families.

Throughout the year we have had a great presence at competitions with great results in both the Speed & Artistic Branches.

We are pleased to have been able to host another Artistic Development Competition at Morley this year and to have seen the Development skaters of Artistic well supported.

Congratulations to the six Speed & nine Artistic Panthers who attended the 2022 Nationals in Brisbane in July; the four Speed & one Artistic Panthers who attended the 2022 Oceanias in New Zealand in September / October. Congratulations to Tyler Robertson who will attend the 2022 Speed Worlds.

### **Club Clothing**

This year we have continued our drive to offer a range of club clothing with two major orders plus a Skinsuit order. We have provided Club Jackets, Training Jackets, Leotards, Leggings, Track Pants, Training t-shirts, Social t-shirts. These clothing orders were very well received by the club.

We were able to provide subsidies of \$70 Artistic & \$50 Speed towards club clothing this year.

We continue to provide bootcovers and gloves to new members.

### **Summary**

Since the last AGM the committee have consulted with our members, encouraged new people into the sport, looked at ways to support our current skaters, and appropriate ways to utilise the funds in the Artistic bank account.

We ran a well-attended member Social Skate Fundraiser Night.

We were awarded a \$500 Lotterywest Kidsport Covid Cleaning Grant.

Many thanks to Andrew Williams for putting together the QR code for the club to meet the Government requirements at short notice. Thank you to you for signing in!

Thanks to fundraising in previous years, we were able to offer subsidies this year to our Artistic skaters for State, Novice, and Development Championships to cover their registration fees.

Thank you to members for their support of our Social Skate & Bunnings Sausage Sizzle Fundraisers that allowed us to provide Nationals Subsidies. Thank you also to the friends of Nigel Lucas who made a donation in his name to support our Nationals skaters.

We have been able to provide subsidies to those skaters attending Oceanias & Worlds this year.

## **Acknowledgements**

I have really enjoyed working alongside such a professional and committed committee in Suzi (Secretary), Deb (Registrar), Catherine (retired Art Rep), Kate (Art Rep / Vice President), Kylie (Speed Rep), and Duncan (Treasurer) this year who have done a fantastic job. They really do work hard for our club!

Thank you to Catherine who retired mid-year and retiring members Deb & Duncan – we will miss you but appreciate your service to the Panthers!

Continued thanks to the Morley Rollerdrome and Ozzy who support our club well.

I am looking forward to an exciting 2023 for the Morley Panthers! We will hopefully continue to work on promoting the club, supporting existing members, and furthering the sport in WA.

*Amy Cumming*
