## **Roller skating Club 2022**

### **Club announcements**

We are finally seeing the tail end of Covid-19, the speed class have still been a bit up and down over this year but we have steady numbers, and the skaters seem to be really enjoying the class.

Once again speed is hoping to carry out a few demonstration skates over the school holidays that will hopefully help with increasing our numbers, I will be in discussions with Ozzy that will hopefully start in November.

### **Coaches and officials**

We are still lucky to have Alex Myint as our full-time coach with Tyler Robertson as assistant and Jasper Syme helping out

Tyler Robertson had now completed his accreditation and is now a fully qualified coach,

Jasper Syme is now undertaking his level zero online coaching.

### **State Championships, Nationals and international**

With all travel being opened this year we have finally been able to hold National and international events.

This year our skaters were able to attend the National championship in Brisbane on the 4<sup>th</sup>-9<sup>th</sup> July. we had 6 skaters attend, Hannah Penglase, Amelia Syme, Elisha Cumming, Jaxon Robertson, Jasper Syme, Tyler Robertson, also this year we had Alex Myint as our Official Team coach. All the skaters did an amazing job they represented WA brilliantly.

We Were also lucky to have 4 of our skaters be selected an represent at the Oceania championships in Timaru NZ, Elisha Cumming , Amelia Syme, Tyler Robertson and Alex Myint. They represented WA and Morley Panther perfectly and all skaters walked away with a medal.

Australia are sending a team away to the world Roller games for the first time in 2 years. This year Tyler Robertson was luckily enough to be selected, he will be joined by Asha Hickford from cobras and Harry Geary from Sk8 house in Melbourne

This year our states will be held over 2 nights, Monday and Wednesday with a marathon held on a Saturday (dates TBC)

Nationals 2023 will be held in Perth with the proposed date of 16th-21<sup>th</sup> January.

Venue TBC

## **Summary**

2022 has been a much better year for the Speed branch, but not just us for our whole club.

Firstly, I would like to give a special thanks to all our Coaches, Parents and committee members and the Morley rink for all the hard work that has been done to keep up with the skaters training over this last year.
