I just wanted to say a Big Thank YOU for helping to make my party the BEST. We have had many comments about how great the Band was. People have even rung us to say thanks for inviting them.

We had no doubt that things would go well. Some of the comments that you may like to pass on to the Band were; Best dressed band I've seen for a while.

Great song choice, I knew every-one of the songs as soon as they started to play it. *The band were great fun and interacted well with the crowd. People were so impressed that when it was mentioned that they would be playing at Rosie's in Fremantle the girls all had the diaries out to mark in the dates.*

Once again Thank You and please pass on a Great Big Thanks to the band for making my 40th a night to remember.

*Thanks Heaps

Hit Factory were great and defiantly got everybody on the floor dancing. At some stages there was only a few people sitting down, great job.

I am happy to provide feedback on The Hit Factory for their performance at the NAB Night of Nights dinner at the Sheraton Perth on Saturday. Once again we used Hit Factory for the National Australia Bank Night of Nights awards and have enjoyed working with them again and last Saturday was no exception. They showed up on time, and were really flexible with our 'fluid timetable'! As always, we were running late, and the band was keen to work with me to get the best result for the audience. Overall, the Hit Factory were an absolute pleasure to work with, and I would have no hesitation in working with them again.

The feedback response that RBC Finance Gala Dinner Dance received was that Hit Factory were very good and the dance floor was full, so I think that says everything.

Please say a big thank you to all the band members

Indeed, we all had a fantastic night we were all impressed with the energy that Hit Factory transmit, they had a very difficult task which was, resetting the party mood back after a touchy talk from Darren Flanagan. Hit Factory put so much enthusiasm that even Tania Swick congratulated them herself and booked the band for Mr Swick's 40th Birthday Party at Meads!
