

Direct instruction from His Divine Grace Srla B.V. Narayana Maharaja

My heartily blessings are for you, all glories to Sri Sri Guru and Gauranga, all glories to Sri Sri Radha Vinode Bihariji.

I received your letter and became so happy to hear that you are all making solid plans to establish a permanent center in Murwillumbah. I am so much pleased with your proposal and especially with the generous support being given by some local devotees. I will also give 5000 AU dollars and if all the devotees are generously contributing, I will give even more. Please keep me informed about the situation and inspire all the devotees to contribute towards this very wonderful plan.

My heartily blessings are for all of you that very soon you will establish a wonderful 3 storey preaching center in Murwillumbah.

Your ever well-wisher,
Swami BV Narayana

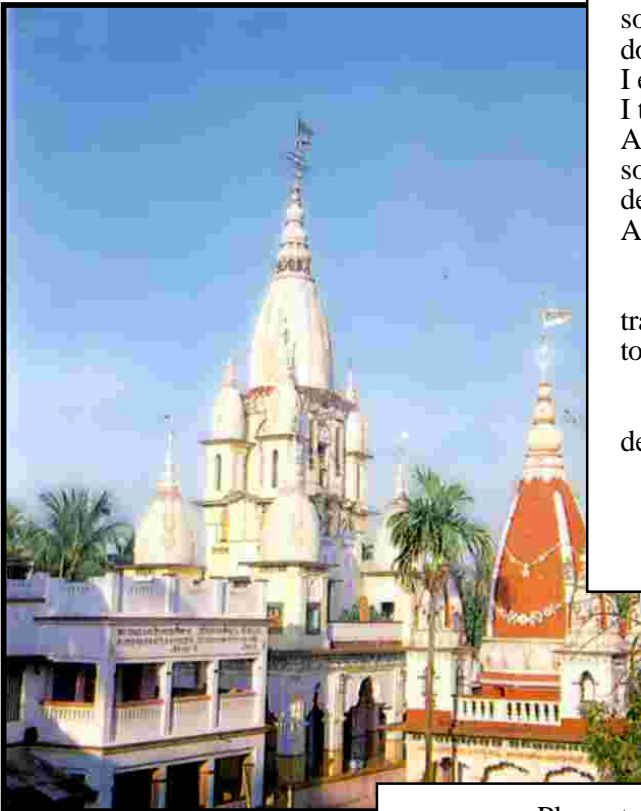

My heartily blessings are for you, all glories to Sri Sri Guru and Gauranga, all glories to Sri Sri Radha Vinode Bihariji.

I received the news about the plan to purchase the new land for the construction of our new Math in Murwillumbah and I became very happy to hear that some devotees have come forward to donate 10000 AU dollars from this. I have also given 5000 AU dollars and I encourage all the devotees to help develop this project. I think that all devotees can donate at least 500 or 1000 AU dollars each and thus our plans will manifest very soon. Please give me a report on the progress and if all devotees are helping generously, I will give again 5000 AU dollars.

Devotees are spending so much money for their travelling and other things. I think it will be best for them to donate towards our new centre with all their enthusiasm.

Please convey my heartily blessings to all the devotees. I am looking forward to hear your reply.

Your ever well-wisher,
Swami B.V. Narayan

. . . Please tell all of the Australian devotees in my name that I want that all of them should be very generous and help with the purchase of the land for our new Math . . .

. . . Let us first progress in purchasing the land and then paying the balance back . . .

Your ever well-wisher,
Swami B.V. Narayan
