Issue 23

JULY 2009

NEWSLETTER

Featuring Line dances done around W.A during JUNE

WELCOME to issue 22 Wow this issue seems a little bigger than usual, there are a lot of dances in the lists, but then again we do have a couple of new instructors to introduce. Rita Chong from 2 Left Feet Line Dancers, Queens Park, and Terry Lea from Borden Line Dancing in Gnowangerup, welcome, we look forward to you becoming part of our regular contributors.

I noticed there seems to be a few older dances getting a revival this time, with Coastin, Smokey Places, Rock Around The Clock and Woolshed Waltz all making it to the front page. Some times it's hard to go past the classics. Perhaps we should do a survey.. What's your favorite old classic???

Fremantle Masters Games are coming up again soon, and Line Dancing is again one of the many dance styles available to enter, so check out the info on page 5. With so many different styles to watch, I'm sure it will be an entertaining day out.

Thanks to all those who remembered to send in their lists, there's quite a few of you this time. Please don't forget **Your next list is due by the 10th of AUGUST** and should contain what dances you taught/revised etc.. during July.

Till next time... Keep on dancing

Regards Tina

**JULY Dance Lists
Due By: 10th AUG**

The idea of this Newsletter is to get a good reference as to what dances are being taught & danced around WA

If you know of other groups that may like to be involved, who have not received a copy, please send me their details.

The more info on what dances your students like to do the better, so include new dances, revised dances, requested dances, anything you danced in class during the past month.

Perhaps even review your new dances, I'm sure other instructors would be interested to know if your class found the new dance, hard or easy, loved it or hated it etc..
