Welcome to the "New Look" Foot-Chatter

Towards the end of last year, a decision was forced upon me to put the Newsletters on hold for a while. I had major computer trouble, lost a lot of data and ended up having to get a new computer. One of the main things I lost which affected the production of Foot-Chatter was my list of Email Addresses. (no good creating a newsletter if you have no one to send it to..LOL). I still haven't recovered all that I had before, but I am slowly collecting them as people email me to say "hay haven't heard form you in a while, what's happening," enough now to make a start again. So if you hear anyone mention that they aren't getting their copy of Foot-Chatter anymore, tell them to drop me a line so I can pop them back on the list.

Ok so in this issue we have the info that was sent leading up to and over the Christmas break, and there is now a huge list of up-coming socials. Where previously the "Stepping Out" socials list was sent as a separate Newsletter, from now on Foot-chatter will feature a more comprehensive list, amalgamating the two newsletters.

I know some of you are only just starting back after the holidays, But if you did have classes during January we would love to hear about what you got up to, so please send your new lists in by 15th Feb (which is a Tuesday).

Happy Dancing.... Regards Tina.

Your Contributions
Due By: 15th Feb

The idea of this Newsletter is to get a good reference as to what dances are being taught & danced around WA

If you know of other groups that may like to be involved, who have not received a copy, please send me their details.

The more info on what dances your students like to do the better, so include new dances, revised dances, requested dances, anything you danced in class during the past month.
