**ECOLOGY AND MANAGEMENT OF
ALIEN PLANT INVASIONS**

EMAPi9

17-21 SEPTEMBER 2007

Hyatt Regency, Perth
Western Australia

The Weeds Society of Western Australia is hosting EMAPi9. The organising committee is pleased to invite all those who are interested in invasive plants in natural areas.

The conference will cover topics such as:

- ecological, biological and biogeographical studies on invasive plants;
- development of multidisciplinary activities aimed at preventing new incursions and managing existing infestations;
- the management of plant invasions;
- appropriate legislation, public education and information; and
- any other relevant aspects of plants that invade natural areas.

For more information and to register your expression of interest, see the EMAPi9 webpage:
