

Western Australian Weeds Conference 2009: Fostering Solutions for the Future

First Call: Land and Water Australia in conjunction with the Weeds Society of Western Australia invite you to present your work at the Western Australian Weeds Conference on 23-24 September 2009. The conference will cover a broad range of weed issues relevant to Western Australia. Invited key-note speakers will present significant outcomes from the Defeating the Weed Menace initiative.

Themes: The program will include the following topics:

1. Invasive plants in natural ecosystems
2. Defeating the Weed Menace Report
3. Managing Weeds: NRM perspectives
4. Agricultural Weeds
5. Biosecurity and Invasive Plants
6. Climate Change and Weeds
7. Restoring Weed Degraded Ecosystems

Fees (includes lunch & refreshments):

WSWA members -	\$75
Non members -	\$100
Student members -	\$60
Student non-members -	\$85

Registration & Enquiries:

Conference inquiries should be directed to Catherine Borger at: catherine.borger@agric.wa.gov.au
Ph: (08) 9081 3105 or Aaron Maxwell at:
aaron.maxwell@aqis.gov.au, Ph 0411 471146. Complete the attached registration form and return to the WSWA before the 14th August if presenting and by the 11th September for attendance only.
